By this letter, we confirm that META University (formerly the Eurasian Technological University), represented by its Rector, Aizhan Temerbayeva, Candidate of Technical Sciences, is a member of the Council of Rectors of Leading Agricultural Higher Education Institutions of the Commonwealth of Independent States (CIS).

The Council of Rectors of Leading Agricultural Universities of the CIS is an international professional association that brings together leading higher education institutions in the CIS region specializing in agriculture, agroengineering, environmental sustainability, and related fields. The Council serves as a platform for strategic cooperation, academic exchange, joint research initiatives, and the development of innovative educational programs aimed at addressing global and regional challenges in agriculture and sustainable development.

Key areas of its activity include strengthening inter-university cooperation, promoting academic mobility of students and faculty, supporting joint scientific research, exchanging best practices in education management, and facilitating the modernization of agricultural education systems in the CIS countries.

META University actively participates in the Council's activities and contributes to the development of international cooperation, interdisciplinary research, and the advancement of modern, sustainable approaches in higher education.

This confirmation is issued upon request for official purposes.

Sincerely,

Rector,

V.I. Trukhachev
