To whom it may concern

This is to confirm that **META University (Eurasian Technological University)**, under the leadership of **Rector Dr. Aizhan Temerbayeva**, is an active member of the **Rectors' Club: Central Asia+** initiative, launched by Almaty Management University in 2023.

The Rectors' Club: Central Asia+ brings together university leaders from across the Central Asian region to foster collaboration, share best practices, and promote higher education development through joint initiatives, research partnerships, and leadership exchanges. More detailed information can be found on the website <https://rectorsclub.asia/>

We appreciate META University's engagement and commitment to advancing higher education in Central Asia.

Respectfully,
Vice-Rector for Global Partnerships

A handwritten signature in blue ink, appearing to read 'ST', is placed over the name of the Vice-Rector.
